

## Apple AirPods Max 2 (MHWK4ZM/A)

### Apple AirPods Max 2 - Headphones with mic - full size - Bluetooth - wireless - active noise cancelling - midnight

The Apple AirPods Max 2 combine studio-quality audio with advanced technology for an immersive listening experience. These full-size headphones with a dynamic sound driver deliver rich sound with stereo output. The Adaptive EQ enhances audio quality by automatically adjusting the sound to suit the unique shape of your ears, ensuring a personalized experience every time. With the Apple H2 chip and high dynamic range amplifier, users can enjoy audio clarity and precision in every listen. Designed with comfort in mind for extended use. Active Noise Canceling blocks out ambient sounds, allowing users to focus on their music or calls. The AirPods Max 2 also feature a transparency mode for a blend of audio and surrounding environment, perfect for when users need to be aware of their surroundings. With seamless connectivity via Bluetooth 5.3, experience the freedom of wireless listening with multiple controls available for convenient features, such as volume control, play/pause, and voice assistant access.

## Key Selling Points

- Active Noise Canceling enhances audio immersion
- Dynamic sound driver for studio-quality audio
- Adaptive EQ provides personalized sound experience
- Bluetooth 5.3 ensures wireless convenience
- Comfortable design with memory foam earpads

## Product Features

### High-quality audio experience

The Apple AirPods Max 2 deliver studio-quality audio recording with high-excursion Apple driver and high dynamic range amplifier, ensuring crisp and clear sound that enhances every music genre.

### Advanced noise control technology

Featuring Active Noise Canceling and transparency mode, users get to decide how much ambient noise to block out or let in, promoting an adaptable listening experience.

### Seamless connectivity

Utilizing Bluetooth 5.3 technology, the AirPods Max 2 connect effortlessly to devices, providing reliable and high-fidelity audio playback without the hassle of cables.

### Enhanced user control

Multiple onboard controls, including play/pause, volume adjustment, and call answering, make it easy to manage audio without needing to reach for a device.

### Intuitive design for comfort

With an adjustable headband made of knit mesh and memory foam earpads, the AirPods Max 2 offer long-lasting comfort for prolonged listening sessions.
