

OtterBox React Series(77-97669)

OtterBox React Samsung Galaxy A16/A16 5G - black - ProPack

The OtterBox React Series protective cover is designed for cell phones, providing an ultra-thin profile while ensuring reliable protection. This back cover features a one-piece design that offers precision fit and supports wireless charging for added convenience. With its 5G compatibility, users can enjoy fast connectivity without compromising protection. Built to meet MIL-STD-810G 516.6 and UL 2809-2 standards, this case offers drop and scrape protection, making it an ideal choice for everyday use. The case is made from 45% recycled plastic, showcasing a commitment to sustainability while safeguarding your device.

Key Selling Points

- Provides drop and scrape protection
- Ultra-thin profile for easy handling
- Supports wireless charging
- Made of 45% recycled plastic
- 5G compatibility for fast connectivity

Product Features

- Durable and reliable protection**
Designed to comply with MIL-STD-810G 516.6 and UL 2809-2 standards, the OtterBox React Series case offers robust drop and scrape protection, ensuring your phone remains safe from daily hazards.
- Sustainable materials**
Crafted from 45% recycled plastic, this case protects your device and aligns with environmentally conscious choices, making it a responsible option for eco-friendly users.
- Precision fit and ultra-thin design**
The one-piece design of the case provides a precision fit that enhances the look and feel of your device without adding bulk, ensuring a sleek appearance while remaining functional.
- 5G compatibility**
Compatible with 5G networks, this case allows users to take full advantage of high-speed connectivity, making it a suitable choice for modern technology needs.
- Wireless charging support**
With support for wireless charging, users can conveniently power up their devices without the hassle of cables, combining practicality with innovative design.
