

OtterBox Glass Galaxy A36 5G/Galaxy A56 5G - clear(77-97787)

OtterBox Glass Galaxy A36 5G/Galaxy A56 5G - clear

The OtterBox screen protector provides robust defense for cellular phones, ensuring that devices remain free from scratches and cracks. Crafted from glass, this protector features a 9H hardness rating, making it highly resistant to everyday wear and tear while maintaining touch sensitivity. Each purchase includes an installation kit to facilitate easy, bubble-free application, allowing users to quickly enjoy their device without hassle.

In addition to its scratch protection capabilities, the OtterBox screen protector is designed to be smudge-proof and fingerprint-resistant, keeping the screen clear and vibrant. Built to meet MIL-STD-810G 516.6 standards, it delivers drop+ protection, shatter resistance, and break resistance, ensuring that phones are safe from accidental drops and impacts. Moreover, it is made entirely from recycled plastic, showcasing a mindful approach to product design.

Key Selling Points

- Provides 9H hardness rating for scratch protection
- Includes installation kit for easy setup
- Smudge-proof and fingerprint-resistant for clear visibility
- Designed to meet MIL-STD-810G standards for durability
- Made from 100% recycled plastic for eco-friendly use

Product Features

Robust protection

This screen protector offers drop+ protection, ensuring that your device can withstand accidental falls and impact without sustaining damage.

Crystal clear visibility

With its fingerprint-resistant and smudge-proof surface, the OtterBox screen protector keeps your display clear and usable at all times.

Easy installation

An included installation kit simplifies the application process, allowing for a quick and effective setup without bubbles or issues.

Sustainable materials

Constructed from 100% recycled plastic, this screen protector highlights a commitment to environmental consciousness while providing reliable protection.
