

OtterBox(78-81057)

OtterBox - Power adapter - 45 Watt (24 pin USB-C) - Europe

Fast Charge Wall Chargers are engineered rugged and built to outlast. This 45 W wall charger is powered by GaN technology, giving you higher efficiency by generating less heat and a form factor that is smaller than ever - all while providing maximum power. Like all OtterBox Wall Chargers, this charger is drop tested and wrapped in a tough exterior for years of use. Thoughtfully designed with good mobile expertise and proven quality that is uniquely durable, these tough wall chargers are designed to work flawlessly together with OtterBox cases, screen and power accessories.

Key Selling Points

- Small and fast, premium durable 45 W wall charger
- Powered by GaN - boosted efficiency in an ultra-compact, mobile design
- Passes rigorous tests for safe, smart and efficient wall charging
- Features foldable prongs for a compact and portable design
- Drop tested and wrapped in a tough exterior for ultra-durability
- Programmable Power Supply (PPS) technology allows charger to intelligently "fluctuate" charging speed based on what the device needs for smart power transfer
- Designed to work flawlessly with your favorite OtterBox cable
- Supports USB Power Delivery fast charging and PPS technology
