

## Targus CityGear Laptop Backpack(TCG655GL)

### Targus CityGear Laptop Backpack - Notebook carrying backpack - 12" - 14" - black

Targus CityGear range has remastered everything that has made its predecessors a demanded collection, to create an even more compact, lightweight range that secures and protects what matters.

## Key Selling Points

- Polyurethane material for enhanced durability and protection
- Dome Protection System and shock absorption for device safety
- Padded grab handle and shoulder straps for comfortable carrying
- Ventilated back design for improved air flow and comfort
- Multiple compartments for organized storage and easy access

## Product Features

### Enhanced durability

Crafted from high-quality polyurethane, this backpack is designed to withstand the rigors of daily use, ensuring your devices and personal items are protected in any situation.

### Optimal comfort

Featuring padded grab handles, shoulder carrying straps, and a ventilated back, this backpack offers superior comfort for all-day wear, even when fully loaded.

### Advanced protection

Equipped with the Dome Protection System and shock absorption features, it provides an extra layer of security against bumps and drops, keeping your laptop and tablet safe.

### Organized storage

With dedicated compartments for personal accessories, a tablet, and mesh pockets, everything you need is neatly organized and easily accessible.
